Copyright:

Middlesex University Research Repository makes the University's research available electronically.

Copyright and moral rights to this work are retained by the author and/or other copyright owners unless otherwise stated. The work is supplied on the understanding that any use for commercial gain is strictly forbidden. A copy may be downloaded for personal, non-commercial, research or study without prior permission and without charge.

Works, including theses and research projects, may not be reproduced in any format or medium, or extensive quotations taken from them, or their content changed in any way, without first obtaining permission in writing from the copyright holder(s). They may not be sold or exploited commercially in any format or medium without the prior written permission of the copyright holder(s).

Full bibliographic details must be given when referring to, or quoting from full items including the author's name, the title of the work, publication details where relevant (place, publisher, date), pagination, and for theses or dissertations the awarding institution, the degree type awarded, and the date of the award.

If you believe that any material held in the repository infringes copyright law, please contact the Repository Team at Middlesex University via the following email address:

eprints@mdx.ac.uk

The item will be removed from the repository while any claim is being investigated.

Karibu Welcome

‘Fuel from Waste’ officially open

Asante – Thank you

Why are we here?

To form a network

To share expertise

To build capacity

To raise the profile of briquetting in Nairobi...

To develop a 'roadmap'

A plan for the future

Why are we here?

- To form a network
- To share expertise
- To develop a 'roadmap'
- To build capacity
- To raise the profile of briquetting in Nairobi...

A plan for the future

Not just about today – about what comes afterwards... a shared vision, practical, sustainable

How are we going to do that?

<i>Day 1 – More ‘technical’ day – co-creation</i>	
10.00	Speakers
11.00	Storytelling, demonstrations and making briquettes
13.00	Lunch
14.00	Co-Design – ‘Story Weaving’
16.00	Themes and outcomes – what do they mean?
16.30	How does the plan look?
17.00	End.

An unConference?

An exhibition?

We think of this as:

Active – Meet – Share - Create

A creative festival
